MEMBER SATISFACTION SURVEY

Dear Member,

This survey will examine ways in which our organization can better meet your needs. It may seem like a very long survey. However, since a survey hasn't been done, and lots of businesses feel the Chamber could better meet their needs, it is important to collect all of the information on these pages. The information you provide is vital to the betterment of your Chamber of Commerce. This is your time to voice any comments, concerns and criticisms so please take the 30-45 minutes to thoroughly complete this survey. If you don't feel like answering a specific question, don't. If you feel the question doesn't apply to you, simply respond N/A. We value your feedback, so be open and honest. Your personal information will not be shared. Your responses will be kept anonymous. If we can be of service do not hesitate to contact us!

Once we receive all of the surveys, we will then compile the data and review all responses. After the board has reviewed the compiled data, a copy of the report will be available to all members upon request. You may also come into the Chamber Office to review a copy.

All surveys must be returned. Please attempt to answer most of the questions.

Please return your survey by Tuesday, October 3rd, 2006. You can either drop it off or mail it to:
